## INDUSTRY WATCH

The minimum paid up share capital requirement for Pension Fund Administrators ("PFAs") has been increased by the National Pension Commission ("Pen Com") from the previous minimum of N150million, to N1billion effective 30 June 2012.

This amount is considered adequate to absorb unforeseen losses and improve the financial condition as well as business processes of the PFAs given the current market situation. It is also expected to encourage healthy mergers and acquisitions.

With a current share capital of N1billion naira, we at Stanbic IBTC Pensions take the safety of our clients' pension funds very seriously.
